

Acquisdata is a business intelligence and financial publisher, creating financial news and research on the world's leading companies, with a focus on the leading industries in the G20 nations. Our Industry SnapShot, Global Industry SnapShot and Company SnapShot products provide timely information on the leading industries in today's global economy.

A leading business media company providing up to date business intelligence reports on the world's industries

 www.acquisdata.com

Industry Snapshots

Industry Snapshots keep our subscribers and readers informed about top financial and business developments in a range of industries around the globe. Each report is updated weekly, containing the latest business or industry developments, financial results, corporate news, industry research and in-depth industry overviews. Each Industry SnapShot report contains the following sections: • News and Commentary • Media Releases • Latest Research • The Industry • Leading Companies in the Industry

Industry Snapshots Summary Edition

Industry Snapshots Summary Edition is a one page summary of the contents of each full Industry SnapShot report. The summary edition is produced simultaneously with each full report.

Acquisdata Archive

Also available to clients is our Acquisdata Archive consisting of over 40,000 Industry Snapshots, over 20,000 Company Snapshots and 2,000 Global Industry Snapshots with some titles dating back to 2014. All our reports are available in RIXML/XML and PDF formats. Free trials are available.

Company Snapshots

Company Snapshots keep our subscribers and readers informed about top financial and business developments in a range of companies around the globe. Each report is updated as developments occur, containing the latest corporate or industry developments, financial results, key financial data, competitor comparisons, company news, and industry background. Coverage includes companies from the industry sectors covered by our Industry Snapshots product. Each Company SnapShot report contains the following sections: • Latest Financial Announcement • Company Profile • Competitors • Key Financial Data • The Industry

Global Industry Snapshots

Global Industry Snapshots focus on approximately 25 newly emerging and rapidly growing global industries and the companies operating in those industries. Coverage includes industries as diverse as cybersecurity, neuromorphic computing, corporate wellness services, human resource outsourcing, artificial intelligence, translation and interpreter services and social network game development. Each Global Industry SnapShot is updated monthly and contains the following sections: Introduction, Market Scope, Applications and Challenges.
